

Dear Landowner,

Thank you for receiving your land valuation notice direct to your email inbox.

I am pleased to provide your 2025 land valuation notice.

The attached notice provides information about your new land valuation in accordance with the *Land Valuation Act 2010*.

Check the attached land valuation notice/s for detailed information.

Each year, as the Valuer-General, I rely on the valuation expertise of the State Valuation Service, who undertake extensive research on property markets, trends and sales information. I consider this information and feedback from local governments and industry groups to decide which areas will be revalued. Not all local government areas are revalued each year.

Visit www.qld.gov.au/landvaluation for more information.
